

OVERHEAD DISTRIBUTION RACK WITH VERTICAL D-RING

The rack space above the cabinet or the rack is expanded with the help of an overhead distribution rack. With this, the space of data centers and telecommunication rooms are broadened. The racks can be either suspended from the ceiling or mounted to most industry ladders in multiple configurations.

FEATURES

- Enhances and improves the cable routing and manageability by smoothing the process of moves, adds, or changes.
- It can mount, secure, and assemble the overhead distribution rack by lessening the installation time.
- The rack permits five varied mounting configurations to rack/cable tray (below/ side, below/parallel, perpendicular/below, side above, perpendicular above).
- The racks can be suspended using a threaded rod.
- It can mount to most of the industry ladder racks and cable trays.
- The racks provide relatively higher port density per square foot at telecommunication rooms data centres to augment the real estate utilization.

Overhead Distribution Rack- 2U

| | |
|----------------------|---|
| Material | Steel |
| Rack channel depth | 83 mm |
| Mounting Bolt Method | Threaded |
| Extended Height (mm) | 228 mm |
| Overall Width (mm) | 515 mm |
| Extended Depth (mm) | 161 mm |
| Number of Rack Units | 2 |
| Loading capacity | 40 lb |
| Colour | Black |
| Dimensions | 222.3mm x 514.6mm x 82.8mm |
| Includes | Main bracket, mounting brackets and hardware, and (8) #12-24 screws |
| Finish/Coating | Powder Coating |

Overhead Distribution Rack- 4U

| | |
|----------------------|----------------------------|
| Material | Steel |
| Rack channel depth | 83 mm |
| Mounting Bolt Method | Threaded |
| Extended Height (mm) | 317 mm |
| Overall Width (mm) | 515 mm |
| Extended Depth (mm) | 161 mm |
| Number of Rack Units | 4 |
| Loading capacity | 60 lb |
| Colour | Black |
| Dimensions | 311.2mm x 514.6mm x 82.8mm |
| Finish/Coating | Powder Coating |

OVERHEAD DISTRIBUTION RACK WITH VERTICAL D-RING

Overhead Distribution Rack- 6U

| | |
|----------------------|----------------------------|
| Material | Steel |
| Rack channel depth | 83 mm |
| Mounting Bolt Method | Threaded |
| Extended Height (mm) | 405 mm |
| Overall Width (mm) | 515 mm |
| Extended Depth (mm) | 161 mm |
| Number of Rack Units | 6 |
| Loading capacity | 80 lb |
| Colour | Black |
| Dimensions | 400.1mm x 514.6mm x 82.8mm |
| Finish/Coating | Powder Coating |

ORDERING INFORMATION

| Part Number | Description |
|-------------|--|
| 133H-M002X | 2U Overhead Distribution Rack with Vertical D-ring |
| 133H-M004X | 4U Overhead Distribution Rack with Vertical D-ring |
| 133H-M006X | 6U Overhead Distribution Rack with Vertical D-ring |
