

# Wall Mount Pendant Speaker, 30W(Black)

Wall Mount Speaker

## DESCRIPTION

The NVS-EN30WD-D is a high-quality pendant wall mount speaker designed for background music and paging systems, delivering a 30W rated power output with versatile power taps for 100V, 70V, and 8 Ohm installations. Featuring a durable ABS enclosure and equipped with a fireproof cable, it ensures safety and reliability in demanding environments. Certified under EN54-24, it complies with European standards for voice alarm systems, providing clear audio performance and dependable operation in emergency scenarios, making it ideal for commercial and public spaces.

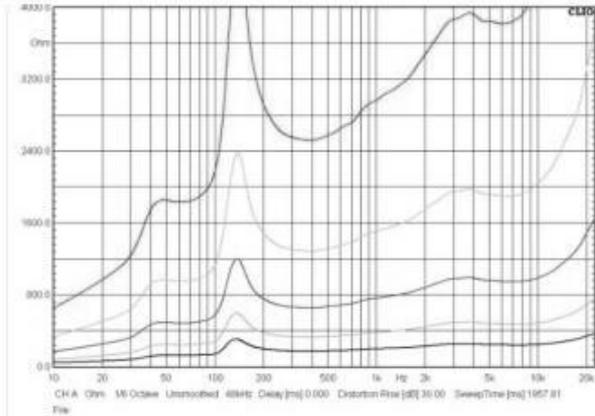

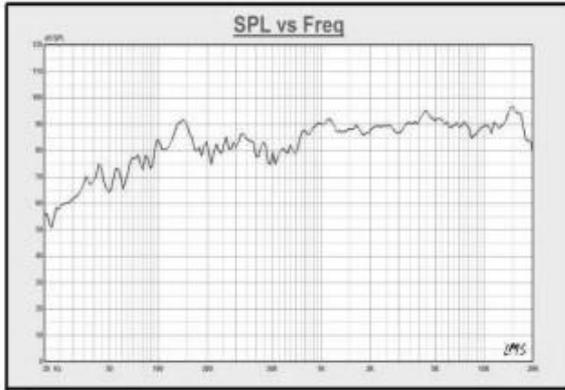

## FEATURES

- ⦿ Suitable for indoor and outdoor applications, ideal for background music and paging systems with a 100V transformer
- ⦿ Designed for use in restaurants, offices, auditoriums, gymnasiums, and shopping malls
- ⦿ UV and fire-resistant ABS cabinet ensures long-term durability
- ⦿ IP44-rated for indoor wall speaker applications
- ⦿ Wall speaker includes special dispersion loudspeakers for optimized sound coverage
- ⦿ Equipped with a fireproof phoenix connector, 95°C fire-resistant cable, and thermal fuse for enhanced safety

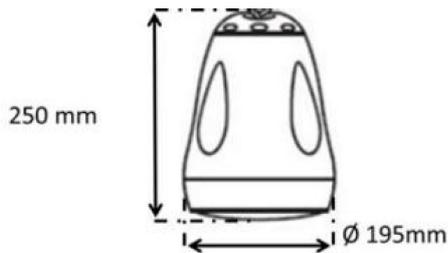

Specifications	
Model	NVS-EN30WD-D
Rated Power	30W
Driver Unit	5.25" woofer and 1" tweeter 2-way speaker system
Material	UV-fire resistant ABS enclosure
Frequency Response	65Hz-20KHz
Sensitivity(1m,1w)	90dB
Maximum SPL (1m)	104dB
Input Voltage/Impedance	100V, 8Ω
Power Rating Options @100V	30/15/7.5/3.8W
Input Connector	Fireproof phoenix connector
Color	Black
Dimension	Ø 195×250mm
Weight	2.4kg
